

Dear Parent/Carer,

Please find below information from the Childhood Immunisation Service who will be arranging the administration of the nasal flu vaccine at school on the morning of **Tuesday 16th September 2025**, together with an information leaflet.

If you would like your child to receive the nasal influenza vaccination please ensure you provide consent. Please complete the e-form even if you do not wish your child to receive the vaccination or if they have received it elsewhere. There is an option to refuse the vaccine.

A copy of the information will be available on the school website.

Dear Parent/Guardian,

Vaccination UK is attending your child's school to provide flu vaccinations.

For your child to receive their nasal flu vaccination in school, please complete a **YES** consent form using the **link below**. **The nasal spray is quick, painless and is the most effective option for under 18's.**

If your child **cannot** have the nasal spray, the injectable flu vaccine is available, and you will be able to choose that method on the consent form.

If you **DO NOT** wish for your child to have a flu vaccination, please complete a **NO** consent via the same link.
