Dear parents and carers,

Each year **NSPCC Number Day** helps raise funds for the NSPCC so that it can continue vital work to keep children safe. This year we have decided to combine the NSPCC's Number Day with a chance for children to come to school in fancy dress! By understanding and enjoying numbers, we can also help spread awareness about the NSPCC important message: raising money because every penny **counts**. This event will take place on **Friday 7th February**.

The Y3/4/5 staff have suggested that children can come in as Times Tables Rock Stars - wigs, sunglasses, boots, fluorescent clothing, inflatable guitars, sweatbands, the lot! Other year groups (or Y3-5 if they feel more comfortable doing so) are invited to come as something 'number-based'. They could come in:

- as a 'Number Block'
- in an outfit that has numbers written on it
- representing a number in another way

This should be as creative as possible - there will be a prize for the 'best dressed number' in the Friday celebration assembly. We are asking of £1 (or more if you would like) as a donation towards the NSPCC. Donations can be made via your child's ParentPay account <https://app.parentpay.com/public/client/security/v2/#/login>

As always, thank you so much for all of the support that you give your children and the school. Hopefully, this will be an exciting day for all involved.

Yours faithfully

Ms Blackmore  
Deputy Headteacher
