

Wigginton Primary School PTA - AGM 10/11/2022

Treasurers Report - Angela Davenport

This year has seen a financially better year for the PTA, with many of the normal fundraising activities returning.

Our financial position has improved, with cash in the bank of £8,095.62, this is just over £2,500 more than at the same time last year. During the year, we were able to contribute £3,000 towards school trips and purchase the hoodies for the year 6 students leaving Wigginton Primary, this was at a cost of £525.

Fundraising activities made the following profits:

Film Night £294

World Book Day Storytime £171

Discos £1267

End of Term Treats £277

Wiggifest donation £500

Wiggifest Stall £71

Summer Fair £2,483

Parvin Quiz £384

Christmas present room £515

Christmas cards £283

Jubilee activities £406

Second hand uniform sales £123

Overall in the financial year, the PTA has had income of £9,441, against outgoings of £6,991

After a couple of conservative financial years, it would now seem to be the time to return some of this profit to the school.

And, in my final year as Treasurer of the PTA, I would like to wish the PTA all the best, and thank you all, for all that you do.

Best wishes,

Angela
