

## PTA & Wiggyfest Saturday 4th June

Dear All,

You may have seen Wiggyfest - Celebrating the Queen's Platinum Jubilee, advertised around the villages and on social media but what you may not have realised is that the event is splitting the profit amongst the community, namely, the sporting associations at Wigginton Squash Club playing fields, Wonder Years and Wigginton Primary School. How amazing is that?! We're so grateful to Hughie Ferguson for all the hard work he's putting into making this a success for us all.

All he's asking of us, as a school, is offering some volunteering support for litter picking, checking tickets at the gate and stewarding. So this is where you come in!!! The PTA are having a games stall for which we would welcome a few extra people to keep manned from 12-4pm as well.

If you can help please email me [pta.wiggintonprimary@gmail.com](mailto:pta.wiggintonprimary@gmail.com) and let me know timings you can support with.

It would be great to let Hughie know that we can support him. It'll be a great community event.

Please find the Wiggyfest poster below and Hughie strongly recommends buying tickets in advance as they're going fast and may not have any left on the day.

Thanks for all your continued support.

Alice Burton

PTA Chair
