

## Lunchtimes Update

Our new and revamped play areas are now in full swing and the children are enjoying these new opportunities for play.

Thank you to the parents who sourced and delivered some new cable reels - these are already in use! We have also received a delivery of pallets from a very kind member of the local community for which we are very grateful as these can be used for a wide variety of exciting projects.

However, we have only had one donation of small world animals (thank you for those!) so are still on the hunt for any of the below items:

- Wheeled suitcases
- Pushchairs
- Wheelbarrows
- Pallets

- Plastic play food
- Muffin/bun tins
- Kitchen utensils e.g spoons, ladles, spatulas, tongs, whisks
- Plastic bowls and plates
- Small world items such as farm, jungle or ocean animals and different types of vehicles

**If you have any of these that you are able to donate, the children would be very grateful!**

Large items can be left at the far corner of the car park on the grassed area next to the gate whilst smaller items can be dropped off in the box just inside the main entrance to school.

We can make use of an incredibly wide variety of items at lunchtimes, so, if you (or anyone you know) is having a clear out of a house/garage/shed please think of us! Additionally, if anyone is having building work done there are often left over items we can make use of, such as pallets or pipes. If you are unsure whether an item is something we can use or need help in transporting things please email [l.ackrel1@wiggintonprimary.co.uk](mailto:l.ackrel1@wiggintonprimary.co.uk) to ask. Thank you for your support.
