Mr Laycock's Message

Book Amnesty!

We are quite concerned that a number of our home reading books are not returning to school. We have lots of incomplete sets, which is making it difficult to ensure children are getting the next book that they need. Please could I ask that everyone checks at home and that you send in any school books that you find. They can be sent in book bags, given to staff or handed in at the office - we really don't mind how! Each book costs £5 and at the moment it will cost school thousands to replace missing ones.

If you think you may have lost or damaged a book, we have a voluntary donation section on Parent Pay, where you can make a contribution to new books. If you want to contribute anyway, we would be very grateful!

Year 3&4 Swimming

Year 3&4 have the opportunity to take swimming lessons as part of the PE curriculum. A letter containing a permission link and a request for voluntary contributions has been emailed to carers. Initial payments and permission needs to be completed by the start of the half term holiday.

Sports Desk

Four children took part in last week's panathlon at Fulford School, trying out a range of sports: curling, boccia, bowling, basketball to name but a few. I was so proud of these children, their enthusiasm and teamwork. They represented the school brilliantly and we had a great time too!

Well done

School Dinners

Tasty
Treats

It has been brilliant to see so many children enjoying the new school menu that was introduced in November. We have been offering out tasters of new dishes on the menu so please do see if your child is interested in trying them out before choosing it as an option. Menus can be found here:

We have also been encouraging children to use their knife and fork correctly and rewarding the younger children for developing their independence. Hopefully, they are showing this at home too!

Clubs

If your child is booked onto an extracurricular club but not attending please let the office know so that we know that they are safe.

WIGGINTON PRIMARY PTA

Parents Page

Spring term is well underway and plans are being finalised for fundraising and events for the rest of the academic year.

The next PTA event is the **spring disco**. It will be held on Monday 9th of February. To tie in with Valentine's Day the theme of the disco is "wear what you love". Think sports kits, favourite colours, clothing with Minecraft or K-pop. The list is endless. The flyer holds full details of timings and cost. Please try and bring correct change if possible to speed up entry on the night.

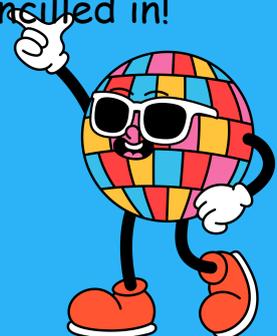

**** Volunteers are needed ****

As always we are hoping for some parent volunteers at the Disco. Please contact a PTA member or message the Facebook page if you would like to help out.

Other news

Sadly, for the time being, the PTA will no longer be holding sweets and treats at the end of each term. This is due to rising costs of confectionery and lack of people power.

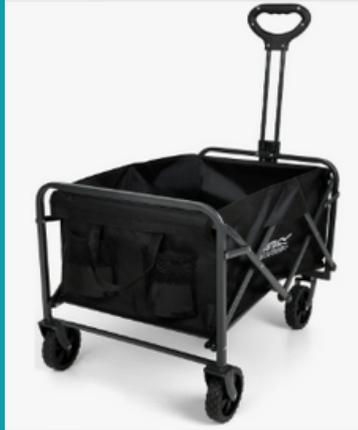

Date for the diary: The Summer Fair will be held on the afternoon of Saturday 13th of June. Get it pencilled in!

Lunchtimes Update

On Friday 13th February we are having a non-uniform day to raise money for OPAL resources. We are asking for a donation of £1 per child (or more if you would like to!) via Parent Pay. We will use the money raised to purchase trolleys and carts similar to the ones pictured below.

We are also still looking for donations of twinwall pipes and cable reels for our loose parts play. These can be dropped off in the far corner of the car park at any time. Thank you.
