Mr Laycock's Message

National Testing

Our **Year 6** pupils will be completing their SATS next week. They have been working hard in preparation for this and we know they will do their very best during the tests. It is important that they get a good night's sleep each night and we will be providing a special breakfast during the week too so that they are energised.

Year 2 will still complete the SATS tests with the children but this is no longer statutory so will not be the formal testing arrangements. We hope that this means that Year 2 pupils do not feel anxious about them. The tests will take place in June.

Year 1 pupils will also have their phonics screening after half term. Again, the children will be prepared for this and will show off their sounding out and blending skills! We know how much reading they do at home and this all helps them to be confident with the real and alien words.

Year 4 pupils are also tested on their times table knowledge during June. They have 5 seconds for each of the 25 questions randomly selected. Being the TT Rockstars that they are, I'm sure they'll be practising ready to perform!

It is not only these year groups who will be completing tests as we have our own assessments towards the end of the school year throughout the school. This is simply so we can see how much the children have learnt during the year and what their next steps will be.

We have teamed up with My Name Tags!

COMMUNITY

Elin, Nilah, Phoebe & Ivy raised a fantastic **£300** for Oscar's Paediatric Brain Tumour Charity. Oscar's helped Elsie Walker, a pupil at Headlands & friend of the girls', who sadly lost her fight with cancer in February. Well done to everyone involved and thank you to the PTA for rounding this up!

FINISH

The children all did so well in their mini-marathons last week, showing great resilience and community spirit. We have raised a massive **£2,672** so far for the Candlelighters Trust and the school play equipment.

Please Remember.....

As the warm sunshine arrives, please remember:

- all children should have a named sunhat in school which they will be encouraged to wear when playing outside. Wide brimmed hats or those which cover the neck are ideal;
- to apply a long lasting sunscreen before school in sunny weather, as staff are not permitted to apply this to children;
- your child's class water bottle should not contain juice, only water is allowed in class.

The water fountains in each key stage area in school are available for pupils to refill their water bottles if required during the school day. As the weather improves, it is important that children are drinking plenty of water during the day.
