

Wigginton Primary School

A message from the Headteacher.....

It has been so lovely to see the children returning with such positivity, enthusiasm and excitement about their new classes and school. We, too, are looking forward to the year ahead and have lots exciting plans. I'd like to warmly welcome our new starters as they begin their journey with us. We have already been impressed with how they have started school!

You can find our [School Improvement Plan](#) here, which sets out our main areas of focus this year.

We do hope that your child has settled quickly into their new class. If you do have concerns, there are a number of ways that you can get in touch:

- For brief concerns, you can speak to the Meet and Greet staff on the door in a morning. This will be passed on to the class teacher.
- You are also able to contact the teachers through Seesaw (or Tapestry for Early Years). Please bear in mind that teachers are not looking at this 24/7, and may not see messages whilst teaching or out of working hours. However, they will check regularly and this is usually the best way to resolve matters.
- You can arrange to meet with staff after school if there is an issue that needs further discussion.
- Our Special Educational Needs co-ordinator, Mrs Davies, is carrying out SENCO duties on Tuesdays and Wednesdays.
- For more significant concerns, if matters have not been resolved using the options above, you can contact the school office via phone or email and this will be directed to the relevant person. For more information, our complaints policy is also available on the school website under policies.

I know that that we are all wanting the very best for the children at Wigginton Primary School and by working together, we can achieve this. We are part of an incredibly supportive community and truly value the partnership with families, and the difference it makes.

****NUT FREE SCHOOL****

Please can we ensure that any food brought into school does not contain ANY nut products. This includes hazelnut spreads and obviously peanut butter. We have a number of children in school who have a severe nut allergy. Thank you.

All school dinners provided are guaranteed nut free by Hutchison, our school catering provider.

Lunchtimes Update

We have already had lots of wonderful play at lunchtimes just in the few days since the academic year started! It has been lovely to see the children rediscovering the wide variety of play opportunities and to see children of all ages playing together and supporting each other.

OPAL assemblies start again this week - these are when we celebrate play, introduce new areas and resources, discuss how to safely use equipment including the benefits and risks and look at new ideas. We have 2-3 of these every half term and the children always participate brilliantly with lots of sensible and innovative ideas and suggestions.

During lunch times, our experienced play team are outside with the children supporting their play and keeping everyone safe. They also help to come up with new ideas or suggestions on ways to improve or enhance existing areas.

Here are a few pictures of some of our provision but there is much more on the OPAL section of the school website -

SPORTS DESK

Football

Congratulations to the Year 3/4 football team, who won the Primary Cup in the final week of last year! The football on display was exceptional from both teams, with some incredible goals. Most importantly, all the players played with great respect throughout. It was a very special achievement for all those involved. Thank you parents for your support!

Team Points

Congratulations to Rowntree, who collected the most team points last half term. As a reward, their non-uniform day will be on Friday, 18th September.

Every day in school
makes a difference
to your child's future.

WIGGINTON PRIMARY PTA

Parents Page

Hello to all families old and new. We hope you've settled into Autumn term 2026.

For our new faces - a bit about us!

The PTA is a registered charity made up of a core committee of parent members, staff and volunteers. Last year we funded over £3000 towards subsidising school trips, (we hope to do the same this year) purchased outdoor play equipment, funded new team sports kits and yr6 hoodies and gave welcome gifts for new starters. Our focus is not to solely raise money but to provide opportunities and experiences for the children with events such as discos, film nights, the summer fair, Christmas events and ad hoc experiences such as visiting pantomimes.

All parents (or primary caregivers) are welcome to attend our first committee meeting of the academic year on **Tuesday 22nd of September**, 7pm at the school. The current committee is in post until November when we hold our annual general meeting and a new committee is voted in. A few current members will step down as the last of their children leave the school so we need to pass the baton on to the next generation. There is no pressure to join, sign up or be involved but we hope to see some new faces come along. Everyone is friendly and welcoming. We are all working parents so understand the demands of busy family life and we appreciate those that can give even a little time to be part of the PTA.

This week all new starters will receive a welcome gift for the PTA so make sure you check book bags at the end of the week.

Our first event will be the October pupil school disco - always popular as the children like to show off their costumes! Date to be confirmed

The PTA communicates via the school newsletter but, as this is bi-weekly, our Facebook pages is where we post up to date information and reminders of events. As a registered charity we have a public page where we post news about our fundraising but we also have a private group page just for parents where we post about internal events and news. Come and find us on Facebook!
